## Getting to the City from the airport

Warsaw Frederic Chopin Airport (<http://www.polish-airports.com>) is located in the south-western part of Warsaw, ca 10km from the city centre.

The local bus **#175** departs from in front of the arrivals hall and passes through the city centre and near the Old Town (journey time – 30 minutes). During the day ticket price is 2.40 PLN – the same fee applies to each piece of luggage. The official timetable of the bus lines can be found at: [www.ztm.waw.pl](http://www.ztm.waw.pl)

Taxis to the city centre cost approximately 37-45 PLN (ca. 10 EUR, journey time – 20 minutes). It is advisable for visitors to book an official taxi (suggested company: *MPT Taxi*, tel. +48 9191) and to confirm the price before setting off. Taxis cost approximately 2.50 PLN per kilometre and can be hired in front of the arrivals hall at the airport.

Bus #175 passes Aleje Jerozolimskie (one of the biggest streets in Warsaw) and stops near the Kyriad Prestige and Campanile hotels (bus stop: **Plac Zawiszy 03**). To get to the Westin Warsaw Hotel you should get off in front of the Central Railway Station (bus stop: **Dw. Centralny 01**), turn right into Aleja Jana Pawła II and continue straight. Cross traffic lights and you will see the Westin Warsaw hotel on the left side of the street.

## Getting to the City from the Central Railway Station

Most international services arrive at *Warszawa Centralna* (Central Railway Station) in the City Centre. Station facilities include tourist information, 24-hour left-luggage, post office, ATMs, shops and snack bars.

All railway stations are connected to the bus and tram network. Bus depot and taxi rank are located in front of the main hall of the Central Railway Station. The venue of the meeting is located within one bus stop from the Central Railway Station.

## **LOCAL TRANSPORT**

### Tickets

Bus, tram and the metro tickets (in Polish: *bilety*) can be bought from newspaper and tobacco kiosks. Bus and tram tickets are PLN 2.40 each and can also be bought on board from drivers; metro tickets can only be acquired prior to your journey. Tickets for oversized luggage cost PLN 2.40 each.

## **Getting around**

The most convenient way of getting around the City is the **metro** - stations: *Ratusz*, *Świętokrzyska*, *Centrum*, and *Politechnika* are all good as sightseeing starting points.

Out of the numerous **tram lines**, quite a few serve the center: # 7, 8, 9, 12, 22, 24, 25, 44 will take you from the Central Railway Station to *rondo de Gaulle'a* (three stops); # 4, 15, 18, 35, 36 run along Warsaw's main artery, *Marszałkowska* street; # 13, 23, 26, 32 are good for getting from *Ratusz* to the Old Town (*Stare Miasto*; one stop, you must walk up the stairs to get on).

Within the City Center **buses** are unquestionably the most convenient: # 175 connects the Warsaw Frederic Chopin Airport, *Dworzec Centralny* (Central Railway Station), *rondo de Gaulle'a*, *Nowy Świat*, *Krakowskie Przedmieście* and *Stare Miasto*; # 180 runs along the so-called scenic route (you can view most of the most important sights along the way); #111 will take you from *rondo de Gaulle'a* via *Nowy Świat*, *Krakowskie Przedmieście*, *plac Piłsudskiego*, *plac Bankowy* to the old Jewish quarter.

At the weekends special tourist buses operate; # 100, with its terminus at *plac Zamkowy*, has a fleet of easily recognizable double-deckers.
